MONICA PETERSEN

I am heartbroken to report that Monica Petersen died today in Haiti. She was a recent graduate of the Korbel School, a Research Fellow and an Assistant Director at the Human Trafficking Center, and had moved to Haiti to teach and start an NGO. Monica was a scholar-activist committed to serving the dispossessed and a clear and critical voice in the human trafficking field. She was also a dear friend and colleague to many of us.

I will post the time and date of a memorial service soon.

--Prof. Claude d'Estrée

The individual in question is one Laura Silsby, former director of The New Life Children's Refuge. She was caught trying to steal 33 children from the country, most of whom were not even orphans and had families.

Hillary has a LONG history of interest in Ms. Silsby. Wikileaks emails dating back till at least 2001 have been found in her archives discussing Laura's NGO. Laura had claimed she planned to build an orphanage in the Dominican Republic, but authorities in the country said she never submitted an application for this purpose. They instead located to Haiti.
